LANGUAGES

- Spanish (Native language)
- English (B2- Upper Intermediate)
TOEFL: 563 || BULATS: B2
- French (A1- Beginner)

AREAS OF INTEREST

- Programming
- Robotics
- Artificial intelligence
- Automation and control

PERSONAL SKILLS

- Leadership
- Adaptability
- Creativity
- Critical thinking
- Fast learner

TECHNICAL SKILLS

- Python language
- C++ language
- Ladder language (PLC's)
- R language
- Assembly language
- HTML language
- Matlab (and Simulink)
- SOLIDWORKS
- Fusion 360
- LabView
- Computer vision softwares
- Excel
- Minitab

CERTIFICATIONS

- CSWA- Mechanical design
- CSWA- Sustainability
- Universal Robots- Robot manipulation

ABOUT ME

I'm a 22 year-old 9th-semester mechatronics engineering student. I characterize myself as a result-driven person with a passion for learning. I have focused my educational training in programming; this has led me to contribute in extremely interesting projects.

EDUCATION

M.E. INDUSTRIAL ADMINISTRATION

- 01/2023 - (?????) | *Universidad Tangamanga, Campus Tequis*
Currently enrolled to start in January 2023.

B.E. MECHATRONICS ENGINEERING (IMT11)

- 08/2018 - 12/2022 | *Tecnológico de Monterrey, Campus San Luis*
Cumulative grade average: 95.71/100.00

INTERNATIONAL EXCHANGE: INDUSTRIAL ELECTRONICS AND AUTOMATION ENGINEERING

- 08/2021 - 01/2022 | *Universidad Politécnica de Valencia, Campus de Vera (Valencia)*

EXPERIENCE

AUTOMATION AND CONTROL PROJECT

- 08/2022 - 11/2022 | *Tec de Monterrey, S.L.P & Nopalimex, MICH*
I proposed, designed, programmed and implemented the control and automation in a partial physical replica with a Python interface that simulates the process that takes place in the anaerobic reactor of the Nopalimex plant.

QUALITY CONTROL PROJECT WITH COMPUTER VISION

- 09/2021 - 01/2022 | *Hacendado (Mercadona) & UPV, Valencia (Esp.)*
Using Teledyne DALSA's Sherlock Vision System software, I achieved an artificial vision system capable of examining the percentage of quality and presence of foreign objects in each portion to be bagged of the "Choco iris" product of the Hacendado brand (Mercadona).

VOLUNTEER TUTOR

- 12/2019 - 08/2020 | *Escuela Preparatoria José Juárez Barbosa, S.L.P*
- 08/2019 - 08/2020 | *Escuela Secundaria Sentimientos de la Nación, S.L.P*
Gave math and English regularization courses to third-year and first year high school students.

AWARDS

Recognition for outstanding average of the B.E. IMT11 program of the semester

- 09/2022 | 09/2021 |
- 09/2020 | 03/2020 | *Tecnológico de Monterrey, Campus San Luis*
- Graduated with honorable mention Prepa Tec, Campus San Luis
- 06/2018 | *Tecnológico de Monterrey, Campus San Luis*
